

Greenhaven Soccer Club

The Greenhaven Soccer Club Volunteer Policy:

The Greenhaven Soccer Club relies on volunteers during the soccer season. Volunteers coach, prepare and maintain the soccer fields, assist with player registration, and assist with the distribution and collection of uniforms and equipment.

In the past, the Greenhaven Soccer Club would collect a "Volunteer Fee" (\$25.00 per family) during player registration, deposit the fee, and would reimburse the fee to those that completed volunteer work.

In lieu of the Greenhaven Soccer Club collecting a "Volunteer Fee" at registration, the club decided to reward volunteer participation in the form of an e-certificate/e-voucher.

After participating in a volunteer event, the Greenhaven Soccer Club will send the volunteer a numbered e-certificate/e-voucher valued at \$20.00 dollars to be applied toward future Greenhaven Soccer Club registration fees. These e-certificates/e-vouchers can only be redeemed at the next year registration. The Greenhaven Soccer Club will maintain a database of each numbered e-certificate/e-voucher just in case a volunteer loses or misplaces his/hers. Parents can only redeem **\$60.00** of e-certificates/e-vouchers **PER FAMILY**.

Volunteer opportunities are listed at www.greenhavensoccer.com.

*. For team related responsibilities, each team will be allowed a maximum of three positions that are eligible for volunteer credit. It is recommended that each team designate their credits for the head coach, the assistant coach and the team parent. However, there are numerous other league-related volunteer opportunities for families to receive "GSC cash" which are posted on the Greenhaven Soccer website."
