

2011 VOLUNTEER SERVICE FORM

The Greenhaven Soccer Club is a Non-Profit Organization which depends upon volunteers in order to continue to function successfully.

The GSC understands that for some families, circumstances may prevent the availability to volunteer. To that end, GSC has instituted a new volunteer fee system. For those families that desire to actively volunteer, they will be required to submit a \$60.00 refundable fee. There is only one fee required per family, even if you have more than one child participating. This check is separate from the registration fee, and will be held in a separate escrow account. If families choose, they may earn a rebate consisting of all or a pro-rated portion of the \$60.00. The amount of the rebate is based on the volunteer commitment/s completed during the course of the season. Please see the *Volunteer Job Valuation Scale*. Please note that the Volunteer Coordinator will make at least three attempts to contact you for various volunteer tasks. If you are unable to fulfill your obligation, all or the remaining portion of the \$60.00 fee will be considered a donation to GSC.

Rebates will be mailed to all participants by the end of the calendar year.

For those families that feel that they do not have the time to actively volunteer, they will be required to submit a \$40.00 donation to GSC (separate from the registration fee) that will be deposited in the general fund and used for field maintenance and other expenses. This donation will be in lieu of making a volunteer service commitment.

Each family must choose an option and complete this form before their children will be allowed to register.
