

2011 GSC HOME FIELD NET & FLAG STORAGE LOCATIONS

Field Coordinator:

GREENHAVEN SOCCER CLUB COACHES RESPONSIBILITIES:

Each week all Coaches that are scheduled to play at their Home Fields are responsible for ensuring that the setup and return of all equipment bags (containing two soccer nets, four corner flags, ten net stakes, one hammer) is completed each Saturday. The name, address, and telephone number of the Net Storage Coordinators who store the nets and flags during the week for all of the Greenhaven Soccer Club Home Fields are listed below. Please be courteous at each of the Net Storage Coordinators' home as they are volunteers that have taken the time to help GSC distribute the soccer equipment each week. **All equipment must be returned on Saturday as some games may also be played on Sunday. Call them if you have a special request or have forgotten to bring the equipment back on Saturday afternoon.** Call the Fields Coordinator for any equipment or field issues.

If your Team is the FIRST Home Game at each soccer field on Saturday:

1. Pick up the equipment from the appropriate Net Storage Coordinator's house for your Home Field.
2. Net bag & flags will be set out on the front porch or side yard each Saturday before the first Home Game.
3. Set up the nets and flags at your Home Field before the first game on Saturday morning.
4. For the 7' & 8' Goals (U10 to U19) bring a small stepladder or stool to help you put up the nets.

If your Team is the LAST Home Game at each soccer field on Saturday:

1. Take down the nets and flags from your Home field after the last game of the day on Saturday.
2. Return all of the equipment to the appropriate Net Storage Coordinator's house for that field.
3. Place the equipment on the front porch or side yard where the Net Storage Coordinator will later check them in.
4. For the 7' & 8' Goals (U10 to U19) bring a small stepladder or stool to help you take down the nets.
